## 2.Security Policy Configuration

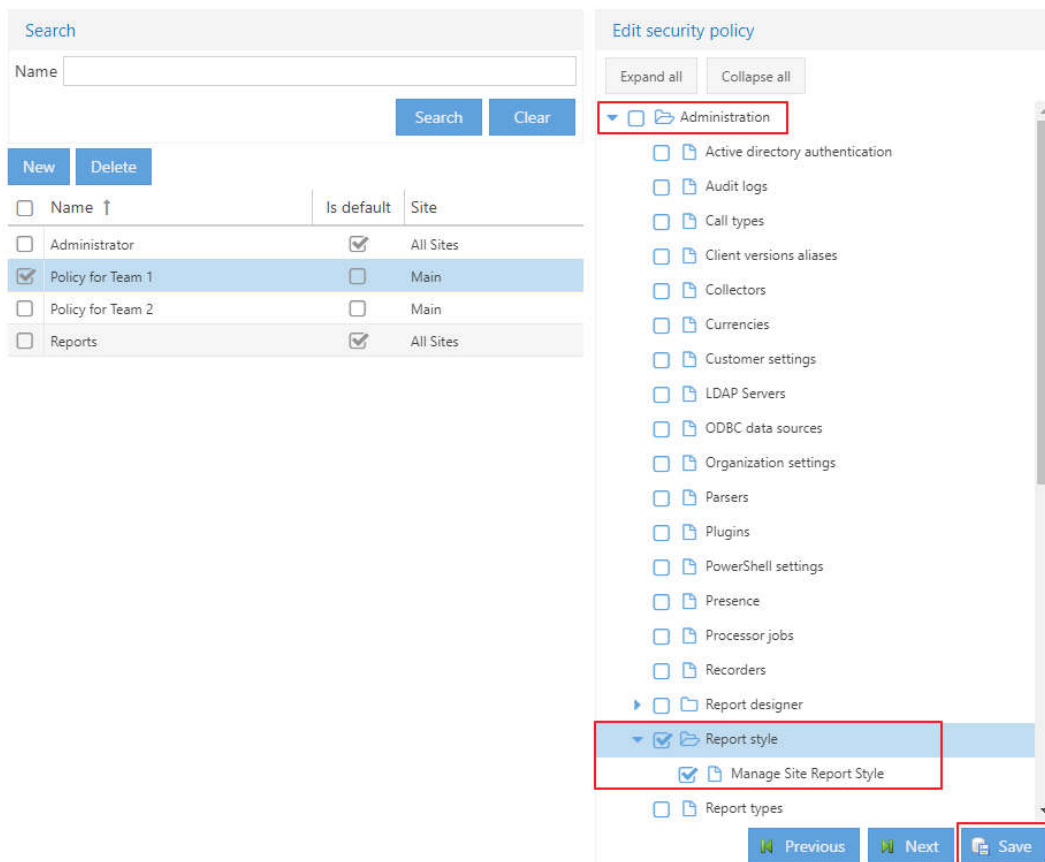

From **Administration -> Security -> Security Policies** the following options are available:

Administration -> Report Style:

- If checked – allows the user to change his own report individual style.
  - o Report style are individual
  - o Any alteration won't affect other users of MAF ICIMS™
- If unchecked – user is forced to use the default report style set by the Site or by a managing user.

Administration -> Report Style -> Manage Site Report Style

- Allows the user to alter the default site report style.
- This will affect users that have no individual style enabled.

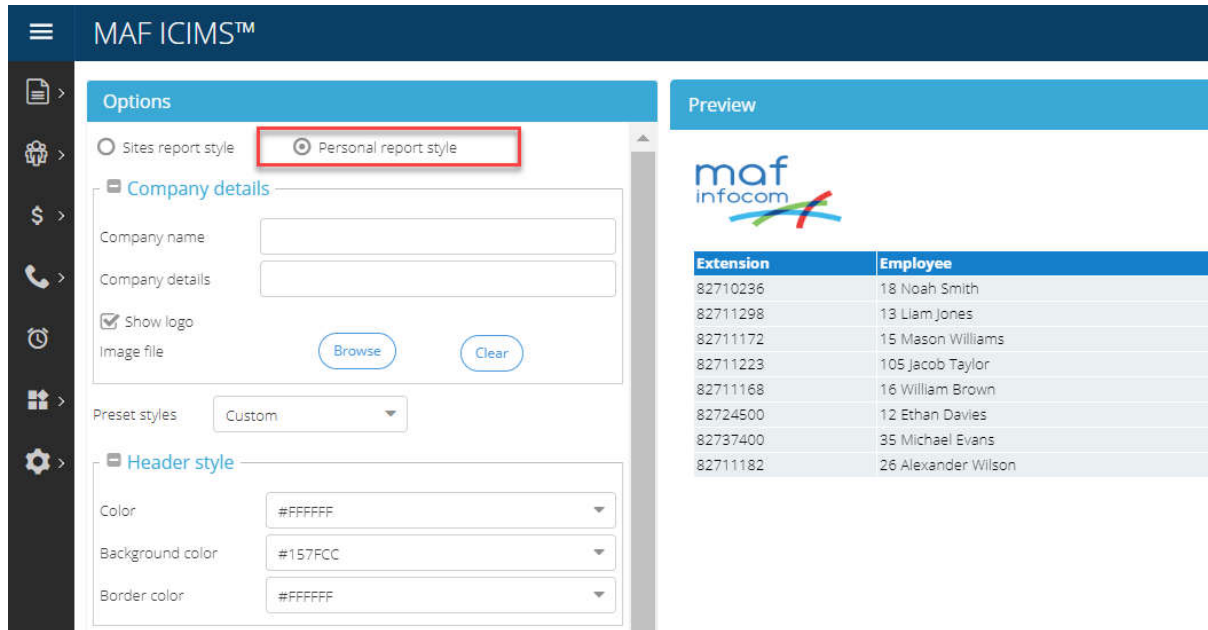

The screenshot displays the 'Edit security policy' interface. On the left, there is a search bar and a table of policies. The table has columns for 'Name', 'Is default', and 'Site'. The 'Policy for Team 1' row is selected. On the right, a tree view shows the 'Administration' folder expanded, with 'Report style' and 'Manage Site Report Style' highlighted. The 'Save' button is also highlighted.

Name	Is default	Site
<input type="checkbox"/> Administrator	<input checked="" type="checkbox"/>	All Sites
<input checked="" type="checkbox"/> Policy for Team 1	<input type="checkbox"/>	Main
<input type="checkbox"/> Policy for Team 2	<input type="checkbox"/>	Main
<input type="checkbox"/> Reports	<input checked="" type="checkbox"/>	All Sites

### 3.Report Styles

Depending on the security policies set your users will be able to alter their own personal style starting from the default main one.

If **Manage Site Report Style** is enabled, they will be able to alter the default one as well.

The screenshot displays the MAF ICIMS™ user interface. On the left is a navigation sidebar with icons for home, reports, settings, and other functions. The main content area is divided into two sections: 'Options' and 'Preview'.

**Options Section:**

- Under 'Options', there are two radio buttons: 'Sites report style' and 'Personal report style'. The 'Personal report style' option is selected and highlighted with a red box.
- Below this, there is a 'Company details' section with input fields for 'Company name' and 'Company details', a 'Show logo' checkbox, and an 'Image file' field with 'Browse' and 'Clear' buttons.
- A 'Preset styles' dropdown menu is set to 'Custom'.
- The 'Header style' section includes color pickers for 'Color' (set to #FFFFFF), 'Background color' (set to #157FCC), and 'Border color' (set to #FFFFFF).

**Preview Section:**

The preview area shows the MAF Infocom logo and a table with the following data:
